

Letter of Experience for (your name here)

GENERAL:

1. Basic Electricity-
2. Airframe Drawings-
3. Weight and Balance-
4. Fluid Lines-
5. Materials and Processes-
6. Ground Operations & Servicing-
7. Cleaning, Corrosion Control-
8. Maintenance Forms, Records-
9. Mathematics-
10. Basic Physics-
11. Maintenance Publications-
12. Mech. Privileges & Limitations-

AIRFRAME:

1. Wood Structures-
2. Aircraft Coverings-
3. Aircraft Finishes-
4. Sheet Metal Structures-
5. Welding-
6. Assembly & Rigging-
7. Airframe Inspection-
8. Landing Gear System-
9. Hydraulic & Pneumatic Sys-
10. Cabin Atmosphere Control Sys-
11. Instrument Systems-
12. Navigation & Communication-
13. Fuel Systems-
14. Electrical Systems-
15. Position & Warning System-
16. Ice & Rain Protection-
17. Fire Protection System-

POWERPLANT:

1. Reciprocating Engines-
2. Turbine Engines-
3. Engine Inspections-
4. Engine Instruments-
5. Fire Protection-
6. Engine Electrical-
7. Lubrication Systems-
8. Ignition Systems-
9. Fuel Metering Systems-
10. Fuel Systems, General-
11. Induction Systems-
12. Cooling Systems-
13. Exhaust Systems-
14. Propellers-

I have witnessed (name) perform the above operations.

A&P Name and A&P number, phone number
